PAYMENT PROCEDURE

- Full payment must be made within four (4) working days of sale confirmation.
 - On the fifth (5th) working day after sale confirmation, the following will apply to all defaulting buyers:
 - Their purchases will be re-listed on the Aucor online platform.
 - Their registration deposit will be forfeited.
 - They will be blacklisted from all future Aucor auctions.
 - Any shortfall in resale value will be recovered from the original buyer.
 - Any surplus from resale will be retained by the seller and will not be refunded to the original buyer.
 - Payments by successful tenderers must be made directly to the Admin Department.
-

LOADING

- The mine will assist with loading, where reasonably practicable, and only with prior arrangement.
- The mine does not have the facilities to assist with vehicle loading. Buyers must make their own arrangements for loading vehicles onto trucks or low-bed trailers.
- Any external lifting equipment must be inspected by the mine Riggers and approved by the Engineer.
- All rigging and lifting must be performed by qualified and competent persons.
- Buyers may use their own trucks and trailers for loading and transport, but all vehicles must be escorted in and out of the auction yard in accordance with mine procedures.
- Steel and HDPE pipes must be loaded using a Grab or Hiab truck.
- No vehicles may remain parked overnight within the mine's secure perimeter.

DISMANTLING / STRIPPING / REPAIRS

- Buyers may use a company of their choice for loading, dismantling, assembly, or repairs. However, such companies must comply with all SHERQ requirements of the mine.
- Unnecessary work will not be permitted on mine premises.
Buyers conducting their own loading must comply with the following:
 - Full site induction and medical clearance
 - A valid Safety File for the required work

CUTTING

- No cutting of any kind will be allowed on-site.

TRUCK REQUIREMENTS

- All trucks must be roadworthy and will be inspected by the mine.
- Trucks must have a valid brake test certificate.
- All truck drivers must possess a valid driver's license.

ASSET REMOVAL DEADLINE

Assets not removed within the prescribed dispatch period will be forfeited. The buyer will forfeit all rights to any items not removed, unless:

- Alternate arrangements were made in writing, and
- These were approved by the mine.
